Explications
Généralités

L'extrait de la SPC représente les infractions relevées par la police. Le tableau montre au niveau commune les infractions au Code pénal, à la loi sur les stupéfiants et à la loi sur les étrangers et l'intégration. Ne sont pas contenus les actes illégaux dont la police n'a pas connaissance (champ occulte) et qui résultent directement dans une procédure juridique par une autre voie, ainsi que les amendes d'ordre infligées selon la loi sur les stupéfiants.

Acte punissable

Un acte est enregistré en tant qu'un ou plusieurs actes punissable s'il représente une infraction à un ou plusieurs articles de loi. La définition utilisée pour la SPC se base sur la définition donnée par le texte légal (par exemple homicide, participation à une rixe, gestion déloyale, etc.). Sont comptés les actes punissables qui sont clairement délimitables, indépendamment du nombre de lésés. Ne sont pas représentés les actes punissables enregistrés dans le canton de Berne, mais qui n'ont pas pu être attribués clairement à une commune.

Fréquence et nombre d'habitants

La valeur de la fréquence correspond au nombre total d'actes punissables enregistrés calculés par 1'000 habitants. Le nombre d'habitants se base sur la statistique de la population et des ménages (STATPOP) à la fin de l'année précédente. La pertinence de la fréquence est entravée par le fait que la police n'a connaissance que d'une partie des actes punissables commis et que les personnes de passage, les touristes, les visiteurs, etc., c'est-à-dire toutes les personnes non annoncées officiellement en Suisse ne sont pas comptées dans le nombre d'habitants. Les actes punissables commis par les personnes de cette catégorie sont également pris en compte dans la statistique policière de la criminalité. Lors de l'interprétation de la fréquence, il s'agit de tenir compte que la part de cette population en fluctuation n'est pas partout pareille, mais qu'elle est plus importante dans les centres économiques, touristiques ou autres et mène donc aux augmentations correspondantes.

Situation de la commune

Les fusions de communes sont reportées rétroactivement sur les années rapportées.
